HISTORY OF THE LANG AND COWAN FAMILIES JUNE 1990

On behalf of the 12th family reunion of the Lang and Cowan families of McIntosh, Alabama. This is our fourth, three-day family reunion in the 12 years. One in Lucedale, MS; Mobile, AL; Los Angeles, CA, and Houston, TX. We have been trying all of these years to meet other descendants of Henry Lang.

The grandchildren of Prince Albert and Eliza Lang Cowan started this family reunion. Eliza Lang is a daughter of Mr. and Mrs. Henry Lang of McIntosh, AL. The other children of Henry Lang were three girls, (one named Patsy) and one boy, Richard (Dick) Lang. The two other girls, I do not remember their names. One married a Reed, one a Miles, and one a Woodyard.

Prince Albert Cowan married Eliza Lang in McIntosh and in early 1860 moved to Mobile, Alabama where Eliza joined Stone Street Baptist Church. I do not know how long they lived in Mobile before moving to Mississippi.

The children of Eliza Lang Cowan (6 girls and 3 boys) are listed as follows: Lucy, Mary, Alice, Albert, Millie, Mack, Annie, Vassie and Henry (who died at 12 yrs old).

My mother was Mary Cowan, four of her cousins came to Mississippi and often stayed in our home, the were Lorenzer Lang, Daniel Reed, Frank Miles and Stephen Miles. I have met quite a few Langs and Reeds since my mother passed. Two car loads of us went to McIntosh in the early 60's to see my mothers first cousin, Lorenzer Lang Nelson, Uncle Dick Lang's daughter and her family. Valmor Nelson and wife came to one family reunion picnic and Rev. William Lang conducted the revival at our church in Mississippi.

I haven't said anything about my grandfather, Prince Albert Cowan who married my grandmother, Eliza Lang, because his father was His mother's slave master and we did not have any connection with his ancestors. The Cowans (Caucasians) here in Mobile and in upper Alabama are his people. My mother said her grandmother Cowan was freed from slavery and given lots of gold when she left.

My mother, Mary Cowan Reeves was born in 1866, and married David Ira Reeves. They had 12 children, lived on a large farm where everyone had to work to help make a living. Mary Cowan Reeves seemed to have a medical mind, loving to work with sick people. Every time someone was sick in the community they would come and get her; even if the doctor came the wanted her there too. That medical mind seems to have gone out into her grandchildren. Presently there are three doctors, seven nurses (R.N.'s) and one pharmacist, and what do you think, I loved to work with people so after I raised seven children, I became a Nurses Aide.

DEFENDANTS.

TO THE HONORABLE CHANCERY COURT OF JACKSON COUNTY, MISSISSIPPI:

Your complainants, Mary L. Maclean and Mabel H. Applegate, would with respect represent and show unto the Court, that they are the true, legal and equitable owners of and are in possession of the following described land, to wit:

Complainants in deraigning their title to said land would show unto the Court such deraignment as follows:

That according to the certified Transcript of the Tract Book of Original Entries and Sales of Government Land in Jackson County, Mississippi, on file in the office of the Chancery Clerk of said Jackson County the NW $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Section 21, Township 7 South, Range 8 West, together with other lands, constituted the private claim of Simon DeFlanders, which

STATE OF MISSISSIPPI,

BEFORE me, the undersigned authority within and for the State and County aforesaid, this day personally came and appeared, H. W. Affiant further makes oath that on behalf of complainants he had made and caused to be made diligent search and inquiry and believes that complainants have made like search and inquiry to ascertain the names, places of residence and post office addresses, including street addresses of the heirs, assigns, devisees and personal representatives of Simon DeFlanders and that after such diligent search and inquiry neither affiant nor complainants were able to learn the names, places of residence post office addresses including street addresses of any of the heirs, assigns, devisees or personal representatives of the said Simon DeFlanders and they were unknown to affiant and are unknown to complainants.

Chancery Clerk of
Jackson County, Mississippi.

claim was confirmed in Simon DeFlanders by Act of Congress of May 28, 1830.

That on the 21st day of May 1924 there was issued by the United States of America to Simon DeFlanders his heirs and assigns, a patent to said lands which patent now appears of record in Book 54, page 57, Record of Deeds of Jackson County, Mississippi.

That on some date prior to the 2nd day of June, 1879 the said Simon DeFlanders conveyed the above described land of complainants to Joseph Basque by deed which does not now appear of record and the original of which has been lost or destroyed and cannot be located after diligent search and inquiry.

Complainants charges the fact to be that the record of said deed was destroyed in one of the several fires which consumed all Land Deed Records of Jackson County, Mississippi, on three occasions prior to the year 1875.

Complainants would show that the said Joseph Basque died intestate while a resident citizen of Jackson County, Mississippi, on some date prior to the 2nd of July, 1879 and left as his sole heirs at law the following adult children, to wit: Francis Basque, Bernard Basque, Caroline Basque, Seymore Basque, sometimes written Simon Basque, Terrece Basque, the wife of Joseph Russ, sometimes written Joseph Russell and Russell, Mary Basque the wife of Aristede LeTorte and Payline Basque the wife of John P. Seymour.

And complainants would show that on the 2nd day of July 1879 the heirs of Joseph Basque, with their respective husbands, executed a deed of partition reciting in said deed that all debts of the estate of Joseph Basque having been paid, it was the agreement between the heirs to divide the real estate of decedent as set out in said deed and in said deed the property of your complainants was allotted and conveyed to Bernard Basque.

This deed of partition appears of record in Book 4, page 234, of the Record of Deeds of Jackson County, Mississippi.

That on the 14th day of July 1883, the said Bernard Basque conveyed the property of your complainants to Seymore Basque by deed which appears of record in Book 7, page 375, Record of Deeds of Jackson County, Mississippi.

That on the 12th day of July 1898 Simon Basque whom complainants are informed and charges as a fact to be the identical person as Seymore Basque, the grantee of Bernard Basque, conveyed said land by deed to Caroline Basque, which deed appears of record in Book 25, pages 90 to 91 of the Record of Deeds of Jackson County, Mississippi.

That on the 2nd day of September 1902 Caroline Basque conveyed said property to Hiram Russell by Warranty Deed which appears of record in Book 25, page 91, Record of Deeds of Jackson County, Mississippi.

Complainants charges the fact to be that Hiram Russell, the grantee of Caroline Basque, is the identical person as Hiram F. Russell who also signs his name as H. F. Russell.

That on the 2nd day of January 1926 H. F. Russell the grantee of Caroline Basque, conveyed said property to Mary I. Mclean and Mabel H. Applegate, complainants herein, by Warranty Deed which appears of record in Book 57, pages 413-14, Record of Deeds of Jackson County, Mississippi.

In addition to the above deraignment of title complainants also claim to be the owners of the land described in the Bill of Complaint by reason of more than ten years open, peaceable, notorious, undisputed, continuous, adverse possession of said land and hereby plead the statute of adverse possession as a bar to the claims of all parties who might have or assert any right, title or interest in said land.

In support of complainants claim of ownership of

said land by reason of adverse possession complainants would represent and show unto the Court that prior to the year 1879 the land was embraced in the property of Joseph Basque and that in 1879 under the division of the estate of Joseph Basque the said property was allotted to Bernard Basque who openly claimed the same against the world and whose claim of ownership was never disputed, that the title of said property passed from the said Bernard Basque through several conveyances and became vested in H. F. Russell complainants predecessor in title on the 2nd day of September 1902. That the said H. F. Russell immediately entered upon and took possession of said property and remained continuously in the absolute, peaceable, open, unobstructed possession thereof until he conveyed the same to your complainants in January of this year. That during the time the said Russell owned said property he paid all taxes due thereon, leased the same for turpentine purposes, cut timber therefrom, kept trespassers therefrom and exercised all rights of ownership and possession of the same and was recognized as the owner thereof and his claim of right and ownership was unobstructed.

That since complainants have acquired said property they have entered thereon and have continued to exercise the same ownership and possession that the said Russell had exercised and complainants aver that their title to said property is good by adverse possession.

Complainant would further show to the Court that all Land Deed Records of Jackson County, Mississippi, were destroyed by fire on three occasions prior to the year 1875 and complainants are informed and avers that the deed of conveyance to said property from Simon DeFlanders to Joseph Basque was consumed in one of these fires and the original of said deed has been lost or destroyed and cannot now be located after diligent search and inquiry.

Because of the apparent break in the record title

of complainants, caused by the destruction by fire of the land deed records complainants are advised that there is just some doubt or suspicion on their title and that their title to said property should be confirmed by Decree of this Honorable Court.

Complainants have made and caused to be made diligent search and inquiry to ascertain the names, places of residence, post office addresses including street addresses of the heirs, assigns, devisees and personal representatives of Simon DeFlanders but have been unable to locate any of same, and they are unknown to complainants.

Complainant is informed and charges the fact to be that Simon DeFlanders after his conveyance of said property to Joseph Basque returned to his native country, France, and died there many years ago and complainants avers that the heirs of Simon DeFlanders, if any, are non residents of the State of Mississippi, and complainants after diligent search and inquiry have been unable to discover or locate any other claimants to said property and avers that if there be any other claimants they are non residents of the State of Mississippi.

Therefore complainants make defendants to this Bill of Complaint the unknown, heirs, assigns, devisees and personal representatives of Simon DeFlanders and also makes defendants to this Bill of Complaint any and all other persons or parties who might have or claim any right, title and interest in the land described in this Bill of Complaint.

Premises considered complainants pray that this their Bill of Complaint be received and filed and that process be made by publication in the manner provided by law for the unknown heirs, assigns, devisees or personal representatives of Simon DeFlanders as well as for all other persons or parties that might have or claim any right, title or interest in said land. That all of said defendants may be summoned to be and appear before this Honorable Court at the regular December Term thereof or

the first Monday of December 1926, and be then and there required to answer, plead or demur to the allegations of this Bill of Complaint and that upon the final hearing of this cause complainants may be declared to be the true, legal and equitable owners of said property and that their title thereto be forever quieted and confirmed against all defendants and that all defendants be perpetually enjoined and restrained from asserting or attempting to assert any right, title or interest in said land in hostility to Complainants title, and

Complainant prays for such other, further and general relief as in equity they may be entitled to receive.

(e) That prior to the year 1889 Sarah Fairley, who was the wife of Peter MacNair Fairley, and who was the same persons as Mrs. S.A. Fairley, who were her children, and under the law of descent and distribution of this State said interest ^{in said land,} of Sarah Fairley descended in equal undivided one fifth shares to her said children.

(f) That shortly thereafter Lou I. Fairley died intestate, and never having married, her interest in said land descended to her brothers and sisters, O.C.Fairley, C.M.Fairley, B.G. Fairley and Lessie E. Fairley, she dying without issue.

(g) That on September 25th, 1889 O.C.Fairley, and his wife, Cammie W. Fairley, conveyed all their interest in and to the lands of Mrs. S.A. Fairley to C.M.Fairley, as is shown by deed recorded in Book 17, at pages 120 and 121 of the Record of Deeds of Jackson County, Mississippi. ~~#####~~

(h) That on October 14th, 1889 C.M.Fairley and Lessie E. Fairley conveyed said Lot 14 to R.H. Harrison, the said conveyance being recorded in Book 10 Page 328 of Record of Deeds of Jackson County, Mississippi.

W.A.Coulson and H.D.Coulson, his sons, Mrs. Carrie G. Coulson, his wife, and R.H.Harrison Jr., Emma Harrison, Maude Harrison and Edna Harrison, his grand-children, and children of a deceased daughter, namely Ollie Coulson Harrison, who had died prior to the time of her fathers death and left as her sole and only heirs, the above named grand-children of Thos. Fairley and O.C.Fairley, his children, and his wife Mrs. S.A.Fairley. That at the death of Mrs. S.A. Fairley all her interest in said lan descended to her children C.M.Fairley, B.G.Fairley, Lessie E. Fairley, now Overstreet, Lou I. Fairley and O.C. Fairley. That upon the death of Lou I. Fairley her interest in said land descended to her brothers and sister, she having died without issue and never having been married, C.M.Fairley, B.G.Fairley, Lessie E. fairley, now Overstreet, and O.C.Fairley. That upon the death of O.C.Fairley all his interest in said land descended to his wife, Cammie W. Fairley and Peter McNair Fairley and Morton C. Fairley, his children, who were his sole and only heirs at law. That the said Lessie E. Fairley Overstreet, C.M.Fairley and B.G.Fairley, Cammie W. Fairley and Peter McNair Fairley, by their several deeds conveyed all their interest in said land to Morton C. Fairley, which said deeds are recorded in Book No. 52 at pages 343, 342, 341, and 341-342 respectively, of the Jackson County, Land Deed Records.

As to The Second Tract, complainant deraigns his title as follows;
The deraignment of title of this tract is exactly the same as the

deraignment of title to the First Tract, as follows:

(a) The United States to Simon Deflander, Patent for Section 35, T. 2. S.R.6 W, recorded in Book 59 at pages 391 and 392.

(b) Simon DeFalnder, his heirs or vendees, conveyed said land to Peter McNair Fairley, which deed was recorded in the Land Deed Records of Jackson County, but the records were destroyed by fire prior to 1875. Complainant avers that said deed was executed prior to 1860 and recorded as aforesaid.

(c) The said Peter McNair Fairley prior to 1873 died intestate, leaving as his sole and only heirs at law his wife, Sarah Fairley, sometime referred to as S.A.Fairley, or Mrs. S.A.Fairley, and his children, viz: C.M.Fairley, B.G.Fairley, O.C.Fairley, Lessie E. fairley, now Overstreet, O.C.Fairley and Lou I. Fairley, that all these parties joined in an ex-parte petition for the sale of the lands of the said Peter McNair Fairley and the Chancery Court appointed Jno. M.McInnis its commissioner to sell said lands, the said Jno. M. McInnis pursuant to said decree sold said lands to Sarah Fairley, said deed being recorded in Book ____ at Page ____ Record of Deeds of Jackson County, Mississippi. Said deed being dated Aug. 15th, 1873.

(d) That on September 9th, 1889, S.A.Fairley, Lessie E. Fairley, Lou I. Fairley, C.M.Fairley, B.G.Fairley and O.C. Fairley conveyed said Lot 3, to Malcomb L. McLeod, said deed being recorded in Book 59 at pages 233-234 of Jackson County Deed Records.

(e) That on May 21st, 1895 Henrietta I. McLeod, who was the same person as Henrietta Idelle McLeod, and Malcolm L. McLeod, who was the same person as Malcomb L. McLeod, conveyed said Lot 3 to Cammie W. Fairley, said deed being recorded in Book 17 at pages 121 and 122 of the Record of Deeds of Jackson County, Mississippi.

(f) That on August 28th, 1926 Cammie W. Fairley conveyed said land to Morton C. Fairley, said deed being recorded in Book 59 at pages 342-343 of the Record of Deeds of Jackson County, Mississippi.

2. Complaint further shows unto the Court that he and his predecessors in title to both tract of land hereinbefore described, have been in the open, notorious, exclusive and actual possession and occupancy of said land for a period of more than sixty years, claiming the same as against

all the world under color of title. Have fenced same, built dwelling houses and out houses thereon, cultivated such as was adapted to cultivation and have actually occupied and resided thereon for a long number of years. And complainant charges that in addition to the title herein ^{and occupancy,} ~~deraigned~~ that his occupancy of said land and possession/thereof, and the possession and occupancy of those under whom he claims title has ripened into title. The said lands are not now in any occupancy adverse to complainant, but complainant is actually occupying same and living thereon. 3. Complainant is informed and believes, and so charges upon such

information and belief, that Simon DeFlander, the original patentee of said land departed from this country prior to 1860 and went to France, and there died. That he has made dilligent search and inquiry to ascertain the names, places of residence, post-office and street addresses of his heirs at law, but after such dilligent search and inquiry he has been unable to ascertain the same, and the same are now unknown to complainant.

That the said unknown heirs at law of the said Simon DeFlander are the only persons who might have any legal or equitable interest in said lands herein described, and after dilligent search and inquiry complainant is unable to ascertain the names of any others, but on account of the long number of years that have elapsed since the land was granted to the said Simon DeFlander, and on account of the fires that destroyed all the records of this County a number of years ago there may be possibly others who may claim some interest, legal or equitable, but complainant has been unable after dilligent search and inquiry to ascertain any such, and therefore, he makes as defendants herein in addition to the unknown heirs at law of Simon DeFlander, deceased, all persons having or claiming any legal or equitable interest in said lands.

The premises considered complainant prays that summons by publication may be made for the unknown heirs at law of Simon DeFlander, deceased, and all persons having or claiming any legal or equitable interest in the lands herein first described, in the manner and for the time provided by law in such cases, requiring them to answer unto this bill at the December, 1926 Term of this Honorable Court, and that upon a final hearing it may please the Court to grant unto complainant a decree of confirmation of his said title in fee simple. And complainant prays for general relief.

It further appearing to the Court that the deed set out in the deraignment of complainants title from Henry F. Letort to Joseph Schmid, as recorded in Book 32 pages 307-308 Record of Deeds of Jackson County, Miss., is erroneous because of mutual mistake of the parties in that the land was described as being in Section 15, Township 7 South, Range 9 West instead of in section 16, Township 7 South, Range 9 West and it further appearing to the Court that it was the intention of grantor to describe the land as being in Section 16, Township 7 South, Range 9 West, and that the land actually conveyed by said deed was in Section 16, Township 7 South, Range 9 West, the Court is therefore of the opinion that said deed should be corrected and returned in conformity with the intention of the parties thereto.

It is therefore ordered, adjudged and decreed that the said deed from Henry F. Letort to Joseph Schmid be, and the same is hereby corrected and reformed so as to describe the land in conformity with the intention of the parties to said deed.

It is further ordered that all defendants be and they are her by perpetually enjoined and restrained from asserting any right title and interest in or to the land described in the bill of complaint in hostility to complainants title.

It is further ordered that complainants pay the costs accrued in this cause for which let execution issue.

F. H. LEWIS,

Secretary P. G. C.

Mr. Charles P. Bowman, after a long and painful illness, breathed his last Saturday evening, aged 58 years, after 48 days. The deceased had been a resident of this place for ten or fifteen years, and when taken sick in July last he was elected with the DEMOCRAT-STAR as reporter and collector. He held the position satisfactorily to the proprietor. He was a practical hunter of many years experience, and was a man of intelligence and seen better days. He leaves six children, two sons and four daughters, whom he was devoted. He was

strict in his convictions, conscientious in the discharge of his duties to community, his family and friends, honorable in his dealings with fellow-men. God be merciful to his soul, whatever they were, and his virtues tower above as the stars above the world.

---Three colored weddings took place in Scranton in the last few days, the contracting parties being: William L. Cheatem and Lucinda Williams; George Bell and Adeline Tate, A. E. Krebs, J. P., officiating. ~~Ramus DeFlanders and Cecilia Henry.~~ George Mathieu, ex-officio J. P., officiating.

---Andrew Lindsey, colored, who was confined in the county jail here upon a commitment of Judge J. B. Wigginton, Justice of the Peace of Ocean Springs, to await trial on a charge of burglary, died of consumption on Friday last, and was buried at the county's expense in the colored graveyard.

---We are advised that Mr. C. W. Ruth, of Mobile, and associates, intend to locate a bank in Scranton, and will be ready for business by not later than November first. This decision has been arrived at after a careful examination of the business inducements to establish a banking institution in our town. The enterprise will be backed by ample capital to meet all legitimate demands, and will prove a long needed boon to Jackson county.

---Rev. W. W. Hopper, evangelist, has been preaching in the Methodist Church of this place every night for a week. He has "curried down" the old church members, fired shot and shell into the sinners, but has failed to get up a revival of religion. The congregations have been pretty good for Scranton, and the attention seemed to be good, but no one could be persuaded to "quit his meanness" and come out of the world and live a Christian life. Mr. Hopper's style is very much after Sam and Joe Jones.

He talks right out about men and things, and hits some sledge hammer blows. He admits that this is the most cold-blooded and sin-cursed town he ever visited. He don't think that the Christian people of the place pray enough or work for the upbuilding of Christ's kingdom as they would

Sarrizan, recorded on pages 636 and 637 of book 2 of the deed records of Jackson county, Mississippi, comprising his dwelling house and other improvements thereon.

That on the said ___ day of _____ 19___, Mary

through the pretense and formality of passing a deed from the said Francis Henry to the said Mary Henry, wife of the said Francis Henry, seeking to convey the above described piece of land with the improvements thereon. Complainants aver that the said pretended deed is recorded on page __ of Book __ of the deed records of Jackson county, and that a copy thereof is hereto attached and made a part hereof.

Petitioner aver that the said deed is absolutely void and conveys no title to said land for the reason that at the time of its alleged execution, the said Francis Henry was in an unconscious condition and did not know what he was doing, and that immediately after he was caused to sign said deed, and before the said justice of the peace could leave the premises the said Francis Henry died without ever knowing what he had done regarding said alleged deed.

That after the death of Francis Henry and on the 25th day of July, 1914, the Mary Henry pretended to sell said land for the alleged consideration of one dollar to the defendant, Louis Deflanders, son of the said Mary Henry, which said alleged deed is recorded on page 485 of the deed book 40 of the deed records of Jackson county, a copy thereof being attached hereto and marked exhibit "F" hereto. That no consideration whatever was paid by the said Louis Deflanders to the said Mary Henry, and that the said Louis Deflanders knew of the void and fraudulent and pretended title of his said mother to said land, and that said last named deed is null and void, and conveys no title to the said Louis Deflanders.

That Complainants are the heirs of the said Francis Henry, together with the said Mary Henry, that the said Mary Henry inherited a one half interest in said land that the other half descended to your petitioners in equal one-eighths parts, and that they are now the rightful owners of said one half interest in said land.

E. Chidsey, Justice of the Peace, and went through the pretense and formality of passing a deed from said Francis Henry to the said Mary Henry, wife of said Francis Henry, seeking to convey the above described piece of land with improvements thereon".

Respondent further answering denies the allegation of said Bill of Complaint, viz: that said deed is absolutely void and conveys no title to the said land for the reason that at the time of its alleged execution, the said Francis Henry was in an unconscious condition and did not know what he was doing, and that immediately after he was caused to sign said deed, and before the said Justice of the Peace could leave the premises the said Francis Henry died without ever knowing what he had done regarding said alleged deed".

The respondent further denies the allegations of said Bill of Complaint, viz: that after the death of Francis Henry and on the 25th day of July 1914, the said Mary Henry pretended to sell said land for the alleged consideration of one dollar to the said defendant, Louis De Flanders, son of said Mary Henry, which said alleged deed is recorded on page 485 of Book 40 of the records of Jackson County, and respondent denies the allegation of said Bill viz: that no consideration whatever was paid by the said Louis De Flanders to the said Mary Henry, and that said Louis De Flanders knew of the said void and fraudulent and pretended title of his said mother to said land, and that said last named deed is null and void and conveys no title to said Louis De Flanders".

Your respondent denies the allegation of said Bill of Complaint, viz: That complainant are the heirs of the said Francis Henry, together with the said Mary Henry, that the said Mary Henry inherited a one half interest in said land that the other half descended to your petitioners in equal 1/8 parts, and that they are now the rightful owners of said one half interest in said land"
